The Nominating Committee shall notify the Secretary at least 40 days before such annual meeting of the nominations it has made. The Secretary shall print and mail to all members of the Association entitled to vote, at least 30 days before such meeting, a list of the nominations made by the Nominating Committee. Any nominations other than those made by the Nominating Committee must be made by at least 5 members of the Association and submitted to the Secretary in writing not less than 10 days prior to the annual meeting, and the Secretary shall mail such to all members entitled to vote at least 5 days before the meeting. SECTION 5. *Committee on Professional Ethics and Grievances.*

The Committee on Professional Ethics and Grievances shall consist of 7 members including a chairman, all of whom shall be former members of the Board of Directors. Promptly after the annual meeting in each year the President shall appoint a chairman for a one-year term and two members for three-year terms, said terms to expire at the annual meetings, and at any time he may fill any vacancy occurring in the Committee, subject to approval of the Board of Directors. The President shall be an ex officio but non-voting member of the Committee and may, at the invitation of the chairman of the Committee, attend its meetings and be privy to its deliberations. The duties and functions of, and the procedures to be followed by, the Committee on Professional Ethics and Grievances shall be set forth in the following subsections of this Bylaw:

(a) The Committee shall receive all inquiries relating to the professional ethics of activities proposed or conducted by a member, may answer such inquiries and may publish such inquiries and answers in such general terms as the Committee, in its absolute discretion, may consider to be in the interest of the membership.

(b) The Committee on its own initiative, or on any complaint it may receive, may investigate the professional conduct of any member other than misconduct in his relations to the Association, and of any non-member who may be conducting from or in the Southern or Eastern Federal Judicial Districts of New York any business or practice affecting patent, trademark, copyright or related matters. The Committee may determine that the investigation shall be discontinued and the complaint, if any, dismissed, or it may determine that the matter shall be further investigated and a hearing held by the Committee or by a Subcommittee of at least 3 members of the Committee or, excepting in matters which relate solely to patent practice before the United States Patent and Trademark Office, it may find with or without a hearing that the matter should be referred to an appropriate disciplinary committee of the general bar. Any such hearing shall be conducted in such manner that the person complained of, as respondent, shall be given reasonable notice of the hearing and the

contents of the complaint, and shall have full opportunity to plead, present evidence and be represented by counsel at the hearing. If the hearing is conducted by a Subcommittee, the Subcommittee shall report its findings to the Committee.

(c) If a majority of the Committee shall find that the respondent has been guilty of professional misconduct, a copy of the findings shall be sent to the respondent, and the Committee shall determine whether to refer its findings, with the approval of the President, to an appropriate disciplinary committee of the general bar, or to the Commissioner of Patents and Trademarks, or both, and in the event that the Committee's findings are referred to the Commissioner of Patents and Trademarks, the Committee, or a Subcommittee thereof, shall prepare and prosecute with the further approval of the President a complaint against the respondent to the Commissioner of Patents and Trademarks for disbarment or other disciplinary action by the United States Patent and Trademark Office. If the respondent is a member, the Committee may institute proceedings for expulsion or suspension of the member under Article IX of these Bylaws.

(d) Members of the Association summoned by the Committee or Subcommittee to testify at any hearing held under the provisions of Subsection (b) shall be bound to appear and testify. In the event that any member refuses to appear or testify at any such hearing and presents no reason therefor which, in the judgment of the Board of Directors, is satisfactory, such member shall be subject to suspension or expulsion by the Board of Directors under Article IX of these Bylaws, but proceedings under this Subsection (d) except final action taken by the Board shall be secret.

(e)(1) All proceedings under Subsections (b) and (c) of Section 5 (except proceedings referred to in paragraph (2) hereof) shall be secret, except that a matter which has been referred to or discussed with a disciplinary committee of the general bar shall be released from secrecy when said disciplinary committee has itself been released from secrecy with respect thereto either by operation of law, by court order, or in any other way.

(e)(2) Unless otherwise ordered by the Board of Directors, all proceedings under Subsections (b) and (c) of this Section 5, to the extent that they relate solely to practice in patent matters before the United States Patent and Trademark Office, shall be secret until a final order imposing discipline has been entered by the Commissioner of Patents and Trademarks, except that the Committee on Professional Ethics and Grievances may, if it deems such action desirable to the proper coordination of action by the bar, exchange information with corresponding committees of other bar associations as to the general nature and status of proceedings now or formerly before it involving the same complainant, the same respondent, or the same or similar subject matter, when such corresponding committees represent that they operate under a like or equivalent rule of secrecy.

SECTION 6. *Committee Duties.* All Committees shall report from time to time to the Board of Directors, or to the Association whenever requested to do so by the Board or by the Association. The Board shall have the duty of taking such steps as may be appropriate to make effective the final action of the Association on the subject matter of the Committee reports. A Committee shall not take any action on behalf of the Association and shall not release its report to the public or advise the public of its recommendation without first obtaining favorable Board action thereon, but subject to the provisions of Section 5 of this Article VI, the report and recommendation of a Committee shall be available to any member of the Association. Final action, for and on behalf of the Association, may be taken by the Board on any Committee report. The chairman of any Committee, other than the Chairman of the Nominating Committee and the Chairman of the Ethics and Grievances Committee, may designate a task group comprising himself and not less than three other members of his Committee to act for the full Committee on any matter and may report the work of the group so designated to the Board of Directors as the report of the Committee without review of such report by all the members of the Committee. A copy of any task group report shall be provided to all members of the Committee upon the preparation thereof.

In the case of a tie, the presiding officer shall cast the deciding vote.

SECTION 5. *Proxies.* At least 30 days before each stated meeting of the Association the Secretary shall mail a blank form of proxy

to each member entitled to vote. Proxies shall be recognized only if held by a member entitled to vote or by the President or Secretary of the Association.

SECTION 6. *Quorum.* At any stated meeting of the Association, the presence in person or by proxy of members entitled to cast the lesser of 100 votes or one-tenth of the total number of votes entitled to be cast at the meeting shall constitute a quorum for the transaction of any business which may lawfully come before the meeting unless a greater quorum is required by law.
