SECTION 2. *Appointment of Committees.* Each of the Committees named, except the Nominating Committee, shall be appointed annually by the President, subject to approval of the Board of Directors, and shall consist, in addition to the Chairman, of at least four members. The President shall fill any vacancies in the Nominating Committee, subject to approval of the Board of Directors. It shall be the duty of the Nominating Committee to make nominations for officers and members of the Board of Directors whose terms of office expire at the next annual meeting, and for a Nominating Committee of five for the ensuing year. Nominations shall be made from among any of the active members of the Association not then serving on the Nominating Committee. The Nominating Committee shall notify the Secretary at least 40 days before such annual meeting of the nominations it has made. The Secretary shall print and mail to all members of the Association entitled to vote, at least 30 days before such meeting, a list of the nominations made by the Nominating Committee. Any nominations other than those made by the Nominating Committee must be made by at least 5 members of the Association and submitted to the Secretary in writing not less than 10 days prior to the annual meeting, and the Secretary shall mail such to all members entitled to vote at least 5 days before the meeting. In case of any vacancy in the nominations, the Nominating Committee may fill the vacancy by a later nomination to be notified to the Secretary at least 6 days before the meeting, and notice thereof to be mailed by the Secretary to all members entitled to vote at least 3 days before the meeting.

SECTION 5. *Committee on Professional Ethics and Grievances.* The Committee on Professional Ethics and Grievances shall consist of 7 members including a chairman, all of whom shall be former members of the Board of Directors. Promptly after the annual meeting in each year the President shall appoint a chairman for a one-year term

and two members for three-year terms, said terms to expire at the annual meetings, and at any time he may fill any vacancy occurring in the Committee, subject to approval of the Board of Directors. The President shall be an ex officio but non-voting member of the Committee and may, at the invitation of the chairman of the Committee, attend its meetings and be privy to its deliberations. The duties and functions of, and the procedures to be followed by, the Committee on Professional Ethics and Grievances shall be set forth in the following subsections of this Bylaw:

(a) The Committee shall receive all inquiries relating to the professional ethics of activities proposed or conducted by a member, may answer such inquiries and may publish such inquiries and answers in such general terms as the Committee, in its absolute discretion, may consider to be in the interest of the membership.

(b) The Committee on its own initiative, or on any complaint it may receive, may investigate the professional conduct of any member other than misconduct in his relations to the Association, and of any non-member who may be conducting from or in the Southern or Eastern Federal Judicial Districts of New York any business or practice affecting patent, trademark, copyright or related matters. The Committee may determine that the investigation shall be discontinued and the complaint, if any, dismissed, or it may determine that the matter shall be further investigated and a hearing held by the Committee or by a Subcommittee of at least 3 members of the Committee or, excepting in matters which relate solely to patent practice before the United States Patent and Trademark Office, it may find with or without a hearing that the matter should be referred to an appropriate disciplinary committee of the general bar. Any such hearing shall be conducted in such manner that the person complained of, as respondent, shall be given reasonable notice of the hearing and the contents of the complaint, and shall have full opportunity to plead, present evidence and be represented by counsel at the hearing. If the hearing is conducted by a Subcommittee, the Subcommittee shall report its findings to the Committee.

(c) If a majority of the Committee shall find that the respondent has been guilty of professional misconduct, a copy of the findings shall be sent to the respondent, and the Committee shall determine whether to refer its findings, with the approval of the President, to an appropriate disciplinary committee of the general bar, or to the Commissioner of Patents and Trademarks, or both, and in the event that the Committee's findings are referred to the Commissioner of Patents and Trademarks, the Committee, or a Subcommittee thereof, shall prepare and prosecute with the further approval of the President a complaint against the respondent to the Commissioner of Patents and Trademarks for disbarment or other disciplinary action by the United States Patent and Trademark Office. If the respondent is a member, the Committee may institute proceedings for expulsion or suspension of the member under Article IX of these Bylaws.

(d) Members of the Association summoned by the Committee or Subcommittee to testify at any hearing held under the provisions of Subsection (b) shall be bound to appear and testify. In the event that any member refuses to appear or testify at any such hearing and presents no reason therefor which, in the judgment of the Board of Directors, is satisfactory, such member shall be subject to suspension or expulsion by the Board of Directors under Article IX of these Bylaws, but proceedings under this Subsection (d) except final action taken by the Board shall be secret.

(e)(1) All proceedings under Subsections (b) and (c) of Section 5 (except proceedings referred to in paragraph (2) hereof) shall be secret, except that a matter which has been referred to or discussed with a disciplinary committee of the general bar shall be released from secrecy when said disciplinary committee has itself been released from secrecy with respect thereto either by operation of law, by court order, or in any other way.

(e)(2) Unless otherwise ordered by the Board of Directors, all proceedings under Subsections (b) and (c) of this Section 5, to the extent that they relate solely to practice in patent matters before the United States Patent and Trademark Office, shall be secret until a final order imposing discipline has been entered by the Commissioner of

Patents and Trademarks, except that the Committee on Professional Ethics and Grievances may, if it deems such action desirable to the proper coordination of action by the bar, exchange information with corresponding committees of other bar associations as to the general nature and status of proceedings now or formerly before it involving the same complainant, the same respondent, or the same or similar subject matter, when such corresponding committees represent that they operate under a like or equivalent rule of secrecy.

SECTION 6. *Committee Duties.* All Committees shall report from time to time to the Board of Directors, or to the Association whenever requested to do so by the Board or by the Association. The Board shall have the duty of taking such steps as may be appropriate to make effective the final action of the Association on the subject matter of the Committee reports. A Committee shall not take any action on behalf of the Association and shall not release its report to the public or advise the public of its recommendation without first obtaining favorable Board action thereon, but subject to the provisions of Section 5 of this Article VI, the report and recommendation of a Committee shall be available to any member of the Association. Final action, for and on behalf of the Association, may be taken by the Board on any Committee report. The chairman of any Committee, other than the Chairman of the Nominating Committee and the Chairman of the Ethics and Grievances Committee, may designate a task group comprising himself and not less than three other members of his Committee to act for the full Committee on any matter and may report the work of the group so designated to the Board of Directors as the report of the Committee without review of such report by all the members of the Committee. A copy of any task group report shall be provided to all members of the Committee upon the preparation thereof.

ARTICLE VII

Meetings of the Association

SECTION 1. *Stated and Annual Meeting.* All business requiring a vote of the Association's membership shall be conducted only at a stated meeting of the Association. The annual meeting of the Association shall be a stated meeting held at such place in New York, New York as the Board of Directors may select on the fourth

Thursday of May each year or on such other date within one month thereof as the Board of Directors may establish and give notice of to the membership as provided in Section 2 of this Article VII. Other stated meetings of the Association may be held from time to time on the call of the President or Secretary or of any three members of the Board of Directors or of any fifteen Members of the Association entitled to vote.

SECTION 2. *Notice.* Written notice of each stated meeting of the Association shall be given by first class mail not less than 30 days nor more than 50 days before the date of each meeting and shall state place, date, and hour of the meeting and, if for a special meeting, shall also state the purpose or purposes for which the meeting is called.

SECTION 3. *Time of Meeting.* Meetings of the Board of Directors shall be held (1) immediately after the annual meeting of the Association and (2) thereafter upon the call of the President or the Secretary or any three members of the Board.

SECTION 4. *Voting.* Except as otherwise provided by law and in Article VIII, Section 1, the transaction of business at any stated meeting of the Association shall be authorized by a majority of the votes cast by members of the Association entitled to vote, present in person or by proxy. In the case of a tie, the presiding officer shall cast the deciding vote.

SECTION 5. *Proxies.* At least 30 days before each stated meeting of the Association the Secretary shall mail a blank form of proxy to each member entitled to vote. Proxies shall be recognized only if held by a member entitled to vote or by the President or Secretary of the Association.

SECTION 6. *Quorum.* At any stated meeting of the Association, the presence in person or by proxy of members entitled to cast the lesser of 100 votes or one-tenth of the total number of votes entitled to be cast at the meeting shall constitute a quorum for the transaction of any business which may lawfully come before the meeting unless a greater quorum is required by law.

SECTION 7. *Presiding Officer.* At all stated meetings of the Association the President shall preside, or in his absence the ranking officer, in the order listed in Article IV, Section 1, or any member of the Board of Directors in the absence of all officers, or, in the absence of all members of the Board of Directors, any member selected by the meeting.

SECTION 8. *Order of Business.* At each annual meeting of the Association the order of business shall be as follows:

1. Reading of Minutes of preceding meeting.
2. Report of Board of Directors.
3. Report of Treasurer.
4. Report of Auditor.
5. Report of the Committees.
6. Unfinished business.
7. Elections.
8. Installation of newly elected officers and directors.

ARTICLE VIII

Elections

SECTION 1. *Elections of Officers and Directors.* At each annual meeting of the Association, a President-Elect, First Vice President, Second Vice President, Secretary and Treasurer shall be elected for a term of one year and three directors shall be elected for terms of three years. Additional directors shall be elected as necessary to fill the remainder of any vacated terms. All elections shall be by a plurality of ballots cast. The officers and directors elected shall enter

upon their duties immediately upon their election, and, immediately following their election, the President-Elect elected at the preceding annual meeting shall become and assume the duties of the President. The officers and directors of the Association shall hold their respective offices from the date of their election until their successors are elected and have qualified.

SECTION 2. *Vacancies.* In case of a vacancy in any office other than President, President-Elect, or on the Board of Directors, such vacancy shall be filled for the term until the next annual meeting by a vote of a majority of the directors then in office. A vacancy in the office of President shall be filled pursuant to Section 2 of Article IV. A vacancy in the office of President-Elect shall be filled by the Association at a meeting called for that purpose by the Board of Directors promptly after the vacancy occurs.

ARTICLE IX

Suspensions and Expulsions

SECTION 1. *Suspension and Expulsion of Members.* Any member of the Association may be suspended or expelled for misconduct in his relation to this Association or in this profession, on conviction thereof pursuant to the procedures described herein.

Any officer may be suspended and any director may be removed from office by a vote of two-thirds of all members of the Board of Directors for failure or refusal to perform his duties properly or for conduct tending to bring the Association into disrepute. Absence of a Director from three consecutive meetings may be deemed by the Board of Directors the failure to perform his duties properly.

SECTION 2. *Complaint.* Complaint against a member of the Association for misconduct in his relations to the Association may be made by any member to the Board of Directors. Every such complaint shall be in writing subscribed by the complaining party and shall state plainly the matter complained of. If the Board of Directors shall deem such complaint of sufficient importance, it shall cause a copy thereof,

together with a notice of the time and place where the Board of Directors or a Subcommittee of not less than three members appointed by it, will meet for the consideration thereof, to be served upon the member complained against and to be mailed to the complainant at least five days before the meeting. At the time and place appointed, the Board of Directors or the Subcommittee shall proceed to the hearing of the case under such regulations as the Board of Directors may approve. The Board of Directors by the affirmative vote of at least ten of its members, all of whom must have heard the case, or by adopting the unanimous vote of its Subcommittee as aforesaid, may find the accused member to be guilty of the charge against him and may adjudge that he be expelled or suspended. But the expulsion or suspension by the Board of Directors shall not become effective until thirty days after such action shall have been taken and may be set aside by the Association at a stated meeting or a special meeting duly called for such purpose.

SECTION 3. *Disbarment or Suspension from Practice.* Any member of the Association who shall be disbarred or suspended from practice, or who shall be convicted of a felony, may be suspended or expelled from the Association by the affirmative vote of a majority of the Board of Directors. The disbarment, conviction and suspension from practice herein referred to shall include disbarment, suspension or conviction, by any court, State or Federal, or by the Patent and Trademark Office.

ARTICLE X

accordance with the provisions of these Bylaws after notice mailed ten days before the meeting to each Active Member of the Association, such notice to contain a copy of the proposed amendment with a precise statement of the purpose thereof.
