

## Larry Coury

Larry is Vice President, Head of Litigation and Associate General Counsel at Regeneron Pharmaceuticals, Inc. in Tarrytown, NY. Larry oversees all of Regeneron's litigation matters, including patent matters, and he is a registered patent attorney. Prior to joining Regeneron, Larry was in private practice at Fish & Neave, Paul Weiss, and Cravath. Larry received his Ph.D. in Biophysics from Harvard University, and his J.D. from Fordham Law School.

## Lisa Jakob

Lisa Jakob is currently serving as the Chief Trademark & Copyright Counsel for Merck & Co., Inc. and is a member of the IP Leadership Team in the Office of General Counsel. Lisa is an experienced corporate IP and litigation attorney with a broad range of experience and a deep commitment to diversity, equity and inclusion efforts. Lisa currently serves as a Co- Chair of Merck's Diversity & Inclusion Committee where she leads Merck's interactions with its outside counsel, with the purpose of working together to achieve DEI goals. Lisa is also a proud co-founder of the Women in IP Network (WIN), an international network dedicated to supporting other women in the field of IP by honing skills, promoting each other and building a community of abundance where all can flourish. Prior to taking on her current role at Merck, Lisa focused on global IP and products liability litigation. Lisa has also worked on merger and acquisition, business development and integration efforts and was an integral member of the team responsible for divesting Merck's women's health business and the creation of Organon. Lisa is also a member of Merck's Pro Bono Committee where she is the champion for the UVISA and 911 VCF Pro Bono Programs, she has worked on patient advocacy within Merck and with outside organizations and has built homes in Africa with Habitat for Humanity.

Lisa has been appointed to serve as the Chair of the Material Differences Sub-Committee of INTA's Parallel Import Committee and previously served as the inaugural Chair of INTA's Pharmaceutical and Healthcare Industry Group. Lisa is a member of the advisory board of ACI's Women Leaders in IP and is an emeritus member of the ACI PIV Advisory Board and had spoken at their annual conference since its inception. Lisa also has spoken at ACI's Women Leaders in Life Sciences Conference, the NAMWOLF annual conference, and is a regular speaker and organizer of WIN events. She helped to launch WIN chapters in Boston, Argentina, Brazil, Columbia and Chile.

Prior to joining Merck, Lisa worked for Stroock & Stroock & Lavan, and Fitzpatrick, Cella, Harper & Scinto, where she was involved in all aspects of intellectual property including patent, trademark, trade secret and copyright litigation, patent prosecution, corporate transactions and trademark counterfeiting enforcement. Lisa was also an intern for the United States Attorney's Office for the Southern District of New York, Novo Nordisk and the New York State Department of Environmental Conservation prior to graduating from law school. Lisa holds a J.D. and Certificate of Environmental Law from the Elizabeth Haub School of Law and a Bachelors degree in Biology from the State University of New York at Albany.

Lisa is admitted to the New York State Bar and New Jersey State Bar, the Federal District Courts of the Southern and Eastern Districts of New York, the Federal District Court of New Jersey, the Court of Appeals for the Federal Circuit and the U.S. Patent and Trademark Office.

## **Mira Mulvaney**

Mira Mulvaney is an Assistant General Patent Counsel, IP Litigation at Eli Lilly and Company. Prior to joining Lilly, Mira was a partner in the New York office of Kirkland & Ellis LLP, where she represented clients in the pharmaceutical, medical devices, life sciences, biotechnology, and chemical industries in high profile patent infringement disputes in federal court, at the International Trade Commission, and in front of the Patent Trial and Appeal Board.

## **Jen Reda**

Assistant General Counsel

Jennifer is Assistant General Counsel in the litigation department at Johnson & Johnson, where she manages patent litigations on behalf of the Johnson & Johnson companies. The litigations primarily involve pharmaceutical patent infringement lawsuits against generic companies seeking to market generic versions of the company's products prior to the expiration of the company's patents.

Jennifer has a Juris Doctor from Fordham University and a Bachelor of Electrical Engineering degree from Villanova University.
